To Whom It May Concern:

I am delighted to write this letter of recommendation for the Magical Rain Theaterworks. The Minority Coalition of Cass County contracted with Magical Rain Theaterworks to provide a three-day residency including a performance at our International Festival. Ike, Dan and Benito are real theater professionals; they helped us design the best program to fit our situation, some of it figured out on the spot, and although the process included constant surprises, they met each new challenge with creativity. The result was a wonderful experience that lived up to its magical name.

Ike, Dan and Benito are flexible, generous, and very good at what they do. We asked them to work bilingually with our migrant students. 100% of the participating students who responded to a survey indicated that they had fun, learned something new, and that participating in theater from the Latino/migrant perspective was important to them.

I believe the Magical Rain Theaterworks would add theater magic to any kind of venue, and for all ages.

Sincerely,

Ruth Andrews, Facilitator
